RESPONSE TO HOLDING OF LACK OF UNITY OF INVENTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Official Action dated April 10, 2007, the following remarks are submitted.

The aforementioned Official Action indicates that the claims in this application are directed to three different inventions of groups of inventions. As identified in the Official Action, the three inventions are as follows.

Group I invention as defined in Claims 1, 2 and 8-10 drawn to a device having a cam mechanism.

Group II invention as defined in Claims 3-7 and 13-16 directed to a device having an elastic element.

Group III invention as defined in Claims 11 and 12 drawn to a method of fastening an emitter to a housing.

Based on the observation that the three inventions lack unity of invention, a requirement has been imposed to elect of one of the three inventions.
